GMO STATEMENT

1st November 2023

To whom it may concern,

We hereby confirm that all hops supplied by Hop Products Australia are neither genetically modified nor are the resulting hop products processed by using technology for genetically modified organisms (GMO's).

Therefore all hops and hop products do not have to be marked as GMO-products according to all existing regulations of European Union and other countries concerning food safety and also according to regulations (EC) no. 1829/2003 on genetically modified food and feed and (EC) no. 1830/2003 concerning the traceability and labelling of genetically modified organisms.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Peter Hamilton', is written over a light blue rectangular background.
